# HARVEST FESTIVAL SPONSORSHIP 2013

Event: Sunday, October 27 from 10am - 2pm  
 Sponsor deadline: Friday, September 20

Last year was the first for closing the streets for Trick-or-Treat which was evolved into the Harvest Festival. By all accounts it was a great success with 50 farmers bearing the fall harvest, thousands of attendees, a kids costume parade led by W.S. High Marching Band, 26 "Harvest Activities" brought by our neighborhood, and happy faces throughout The Junction. It was truly great.

The West Seattle Junction Association, in partnership with the Neighborhood Farmers Market Alliance, produced this event and covered all the expenses. As we've proved the Harvest Festival to be a success event model and one that our community embraced, WSJA is seeking to expand the partnership by pursuing Event Sponsors to help shoulder the costs.
