

# West Seattle HARVEST FESTIVAL

And Trick-or-Treat in The Junction

Sunday October 27th, 10am – 2pm

## Harvest Activity Booth Application

Our first annual Harvest Festival was a huge success in 2012 and we're doing it again!

We are closing California Ave and Alaska St. The Farmers Market will be centered down California Ave and there will be Harvest Projects for kids on Alaska Street.

**West Seattle schools, non-profits, and businesses are invited to provide a Harvest Activity for kids in the neighborhood.** This will help make a fun and healthy event and give families an alternative to candy! The applicant will provide the materials and their own tent.

It is free to participate and the Harvest Committee will choose the projects best suited for the event. Your Harvest Activity must be a fun kids activity and meet ALL of the guidelines...

- Activity must be FREE and suited to children. No sales.
- Must try to have a Harvest connection and be an activity or project
- Activity should not be an advertisement or promotion of the applicant. Of course have your banner and some materials, but the emphasis is on giving kids a fun activity and families an alternative to candy.

**HARVEST FESTIVAL PROGRAM**  
10am – 2pm: West Seattle Farmers Market  
10am – 2pm: Harvest Activities/Projects  
11:30am: Kids Costume Parade  
12pm – 2pm: Trick-or-Treating
