

HOLIDAY GARLAND ORDER FORM

It's time to start preparing for the 2017 holiday season. We'll be placing our order for Holiday Garlands in the Junction soon. The live natural cedar and fir garlands add a beautiful and festive touch to any building, and are a great way to frame your storefront's visual displays for the holiday season. The garlands are typically draped from the top of the window line, over the doorway and/or over awnings. We are once again supporting local businesses by purchasing the garlands through Junction True Value.

Red velvet bows also come with each garland order. If you DO NOT WANT BOWS, please mark the box below.

If you've ordered before, you can request the same as last year.

If this is your first time ordering garlands, we have the measurements of your storefront on file and will invoice accordingly.

The garlands are hung the end of November and removed the beginning of January.

We will invoice you directly for your individual order. The price is a reasonable \$3.75 per linear foot, including installation.

NO BOWS PLEASE SAME ORDER AS LAST YEAR PLEASE FIRST TIME ORDERING GARLANDS

THE DEADLINE FOR ORDERING IS MONDAY NOVEMBER 6

Business: _____ Contact Name: _____
