

Thank you for adopting a flower basket in the West Seattle Junction. Your adoption supports the ongoing beautification of the downtown district.

Adopting a basket:

1. The adopting person, group, family or individual will be adopting one (or more) professionally designed and planted flower basket(s).
2. The basket will be hung on a one of the historic light poles which line California Avenue. The baskets are hung mid May until mid September. Each basket receives daily watering and maintenance which will be funded by the West Seattle Junction Association merchants.
3. The cost for one basket is \$149. You may purchase more than one basket (2x \$290). 95 available baskets.
4. Your adoption fee includes a plaque which will be placed on the pole under your basket. Text is limited to 2 lines. You may keep the plaque when the baskets are removed in September; the physical baskets belong to the grower. We can arrange for you to repot the flowers if requested in advance of the removal.
5. You can adopt and pay for your flower basket via credit card [through this application](#). Or mail a check to the Junction Association along with this form. Make checks payable to West Seattle Junction Association. Mail to 4210 SW Oregon St, Suite A Seattle WA 98116. As the Junction Association is a 501(c)(3), your adoption is a nonprofit donation.
