

## Petal Power Adopt-a-Basket 2019

Thank you for adopting a flower basket in the West Seattle Junction. Your adoption supports the ongoing beautification of the downtown district. The cost to adopt a basket is \$159.00 by check. You may purchase more than one basket, we have 92 available baskets.

Your adoption fee includes a plaque that will be placed on the pole under your basket. You may keep the plaque when the baskets are removed in October, or may elect to continue into 2020 with a new plaque and honoree.

The baskets are hung in mid-May and removed in mid-September. The physical baskets belong to the grower. Due to the weight of the baskets we cannot keep or take cuttings from every basket.
